### BACKGROUND IN EDUCATION AND PROFESSIONAL EXPERIENCES

#### Education

In 1978 I started as an orthopedic-shoemaker apprentice in Iceland and got further education in Sweden. I continued my education at the university level in 1987 and hold a Bachelor's degree as a Prosthetist and Orthotist (Jonkoping Sweden, 1990). In 2009, I finish my Ph.D. in orthopedics from the University of Lund, Sweden.

#### Experience in Working in Organizations at National Level

I have been a member of ISPO since 1998 and have served on the board of ISPO-Sweden since 2003. I have arranged several ISPO courses in Sweden. Additionally, I have served four years on the board of the Swedish O&P Business Council and done consulting work for the O&P education in Sweden.

#### Experience in Working in Organizations at International Level

I have worked for the past years in different research teams and cooperation with different nationalities. I have been a member of the ISPO International Protocol committee since 2015 and the Finance committees since 2017. Additionally, I have been a member of the ISO Technical group 168 O&P since 2005 for WG 1 (& 2) and serve now as the Convener of that group.
