# Logo Design

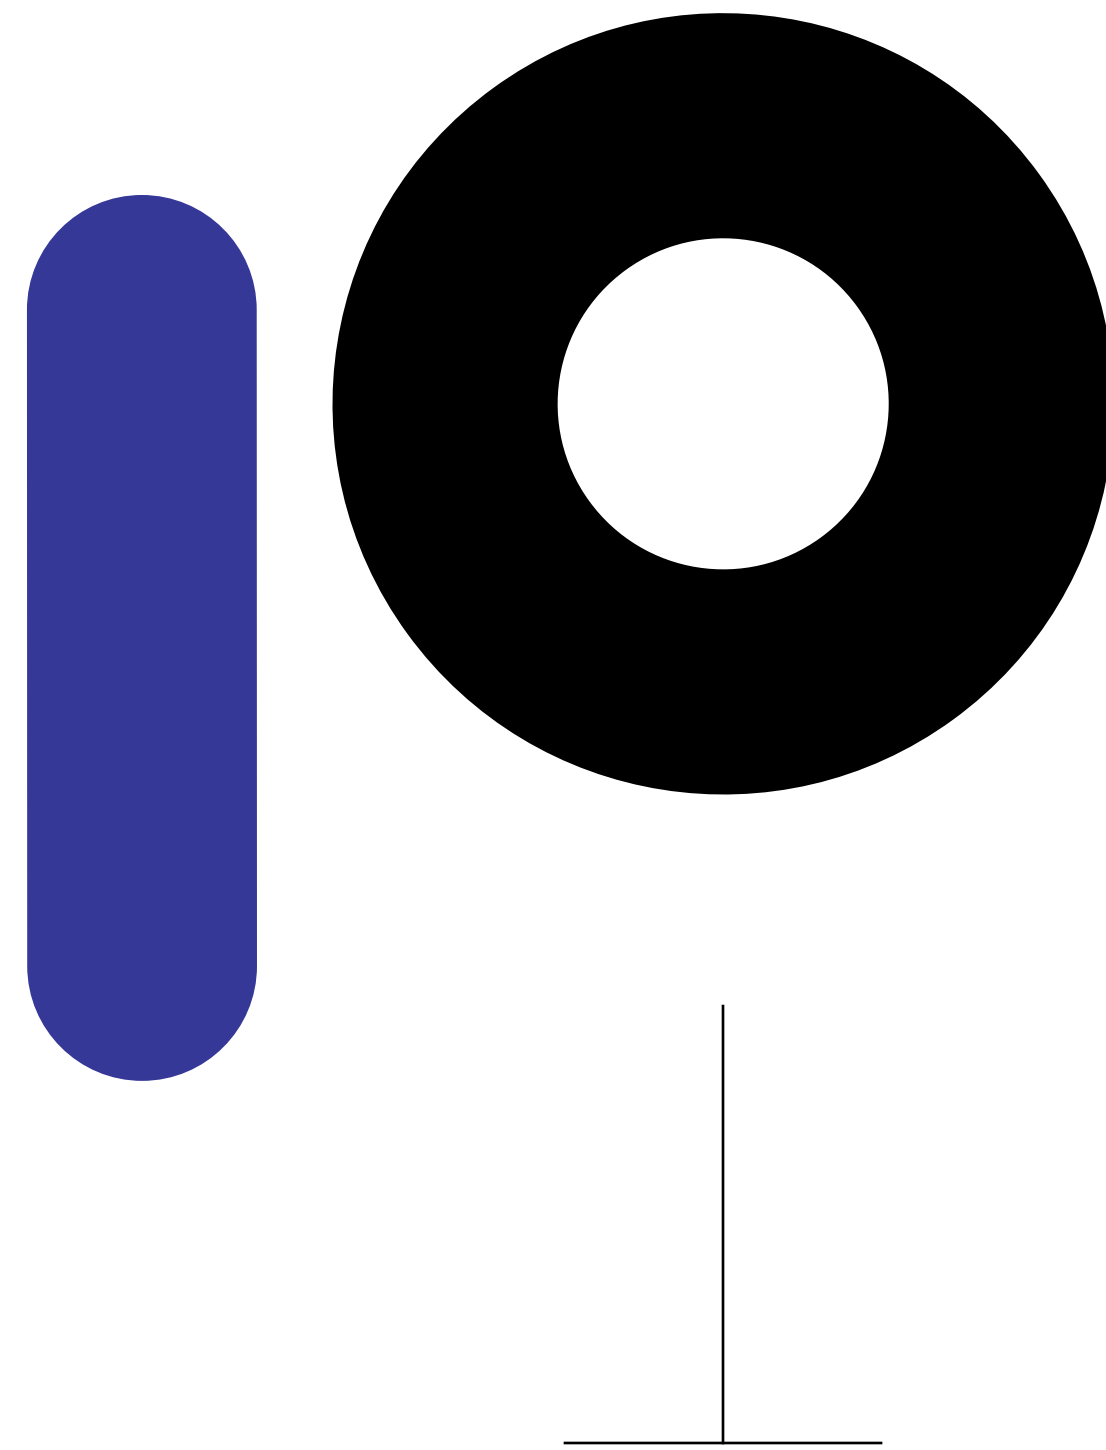

# International Prosthetics and Orthotics Day

Enabling and Empowering

Starting with an 'O' at our heart.

Which expands into a 'P' for Prosthetics.

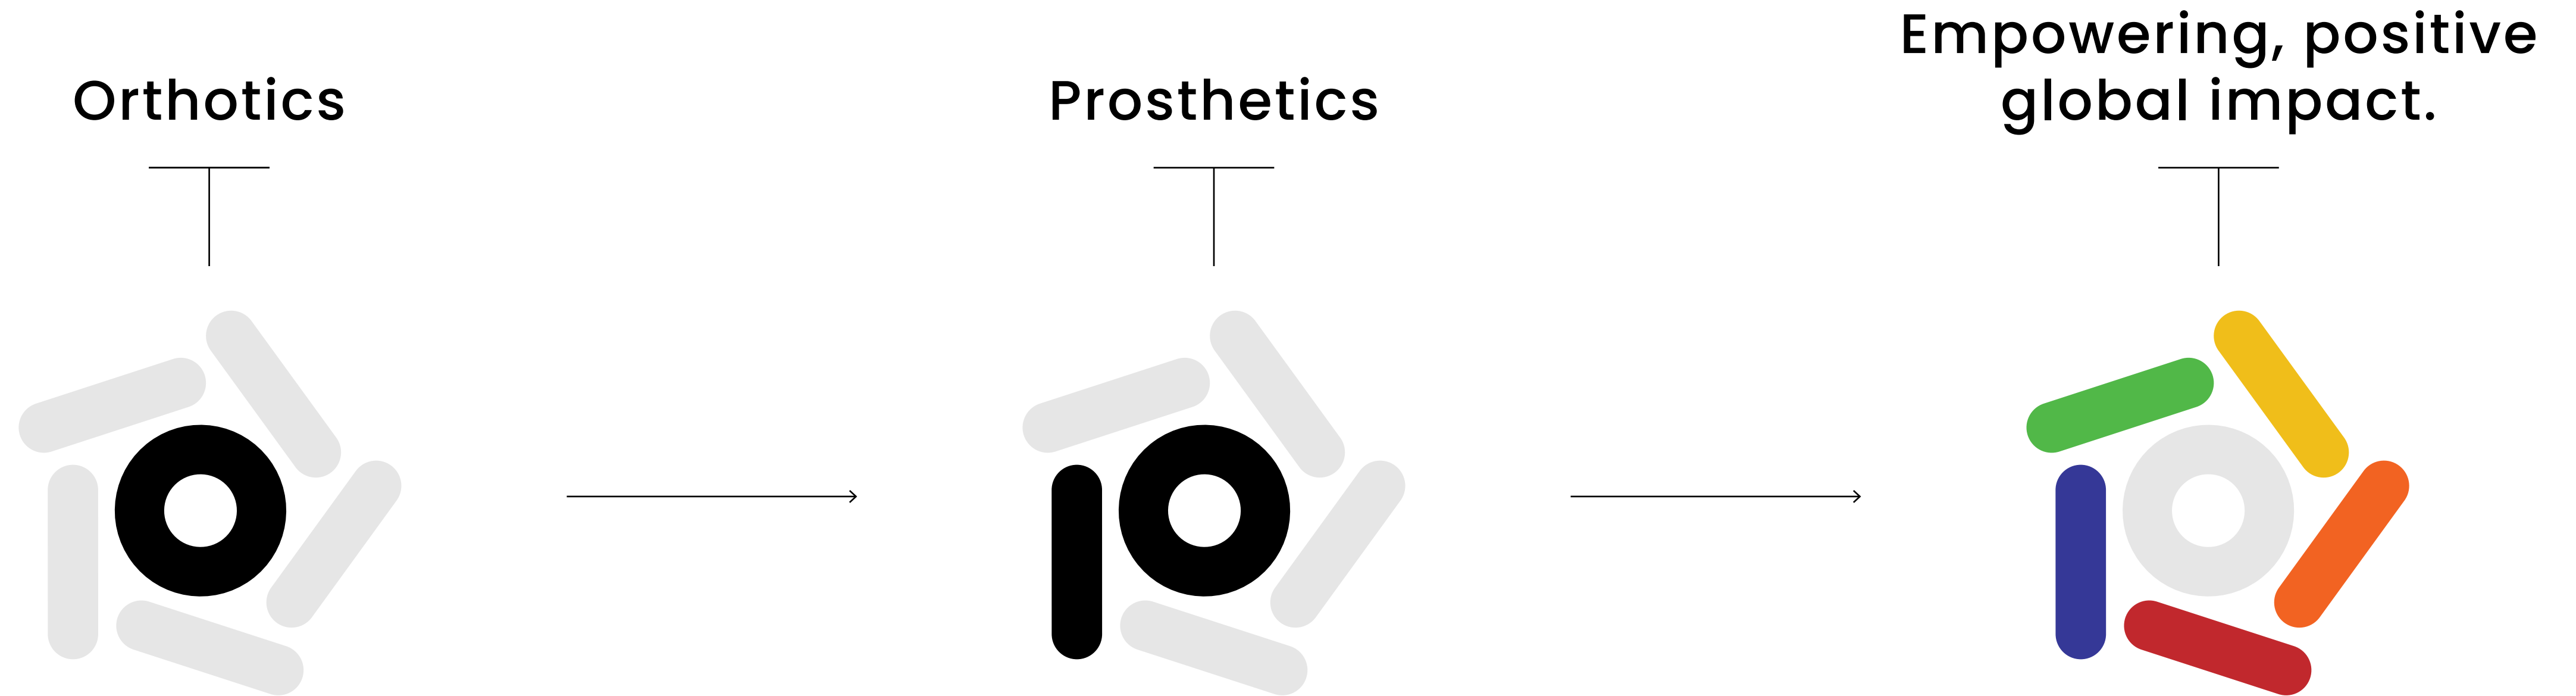

And continues to raise awareness at a global scale.

# International Prosthetics and Orthotics Day

Enabling and Empowering

Our logo has been designed with Orthotics and Prosthetics at its heart with the pillars (Policy, Products, Personnel and Provision) of the WHO Prosthetics and Orthotics Standards surrounding everything we do.
