CALLING ALL INNOVATORS!

Are you a passionate undergraduate student with a keen interest in Biomedical Engineering, Prosthetics & Orthotics, Healthcare and Rehabilitation? Get ready to make your mark on the field! We are excited to announce the "BioMed – APOSM 2024 Undergraduate Capstone/Integrated Design Project Poster Competition," extending an open invitation to undergraduate students across all universities.

WHO CAN PARTICIPATE?

- Eligibility: Open to all undergrad Biomedical Engineering, Prosthetics, and Orthotics students.
- Team Size: Up to 5 members per group.
- Submission Criteria: Poster on relevant topics in Biomedical Engineering, Prosthetics, or Orthotics.
- Presentation: One representative per group during the poster session for networking and discussions.

Register and Inquire: Email: biomedconf@um.edu.my

ABSTRACT SUBMISSION INFORMATION & GUIDELINES

deadline
Submission
APRIL 1st, 2024

Welcome to Biomed2024 and APOSM2024! We invite your scientific contributions for the joint conference in Kuala Lumpur from August 21-24, 2024.

Visit <https://umevent.um.edu.my/BIOMED-APOSM2024> for details. Submit your abstract in one of the specified tracks.

- A. Rehabilitation & Assistive Devices
- B. Lower Limb Prosthetics & Orthotics
- C. Upper Limb Prosthetics & Orthotics
- D. Medical Devices & Technologies
- E. CAD/CAM Technology towards Biomedical Engineering & Rehab
- F. Cell and Molecular Biomechanics
- G. Fluid Biomechanics
- H. Soft & Hard Tissue Biomechanics
- I. Human Movement and Robotic
- J. Sports Biomechanics
- K. Biomechanics in Injury and Rehabilitation
- L. BioMEMS and Biomaterial
- M. Computational Modelling and Artificial Organ
- N. Tissue and Organ Engineering
- O. Emerging and Multidisciplinary in Biomedical Engineering
- P. Artificial Intelligent in Biomedical Engineering & Rehabilitation
- Q. Bioinstrumentation
- R. Medical Imaging
- S. Healthcare Design
- T. Bioelectronics & Bioinformatics
- U. Biosignal, Image and System
- V. Regenerative Engineering

ABSTRACT REQUIREMENTS

- Original, unpublished research only.
- One-page extended abstract using our template.
- Carefully follow instructions.
- Blind review based on scientific value, relevance, methodology, ethics, language, and impact.
- Ensure originality; Turnitin score above 20% leads to rejection.
- Assign a corresponding author responsible for proof checks and timely responses.

CATEGORIES

Oral Presentation or Poster Presentation

Submitting an abstract commits to presenting (if accepted) at the assigned time and format. Register upon acceptance for inclusion in the Biomed-APOSM2024 database

BE PART OF US AS AN **EXHIBITOR & SPONSOR**

Are you ready to be part of a groundbreaking event in the field of biomedical engineering, prosthetics and orthotics? Look no further! We invite you to join us as an exhibitor and sponsor at the 7th Kuala Lumpur International Conference on Biomedical Engineering 2024 (BioMed 2024) and the 8th Asian Prosthetic & Orthotic Scientific Meeting 2024 (APOSM 2024)!

Date : August 21-24, 2024
Venue : Kuala Lumpur, Malaysia

Here's what you can expect:

Exposure: Reach thousands of professionals and experts in the field.

Networking: Connect with leading researchers, academics, and industry leaders.

Promotion: Showcase your products and services to a highly targeted audience.

Brand Visibility: Boost your brand recognition on an international stage.

We offer a range of sponsorship packages to suit your budget and goals, with options for exhibitor spaces, event-wide branding, and more.

To inquire about sponsorship opportunities or secure your exhibitor space, please email us at saifulborhan8@gmail.com/anida@um.edu.my. Don't miss this unique chance to be a part of BioMed - APOSM 2024 and contribute to the advancement of these critical fields!

LET'S MAKE THIS EVENT A SUCCESS WITH YOUR SUPPORT
